Mr. Zeeshan is unemployed and lives in Kashmir. He is the only person earning for the family of 6-4 children, a wife and a mother.

We arranged a cabin for him to run his French fries stall. He had the machines and other things but he only needed a cabin to run the French fries stall. The cabin cost us Rs 11,500 and helped him start his own business.
Hi-Roof for Mr. Nazir

Mr. Nazir is Unemployed and owns an old taxi which is increasing his expenses day by day. He lives in Korangi No.5. Father of five, doesn’t have a regular source of income. He needed a proper Van for kids to pick/drop them to school and tuitions.

With other donators, Students contributed money worth Rs. 7000/- each for the Hi-roof.

Funds Raised and Donated: Rs. 21,000/-
Mr. Abid is Unemployed and lives in Liaquatabad. He has 5 children.

I arranged a Cart with inventory worth Rs. 5000/- He has his cart I just arranged an inventory and he is now running his small business.
Mrs. Salma Ali is unemployed women and lives in Gizri. Her Husband is a painter (on wage basis). Mother of two, doesn’t have a permanent source of income.

Students arranged a sewing machine with inventory worth Rs. 9,105/-, sewing machine and motor costing 8000 and 1105 for other Expenses.

Funds Raised and Donated: Rs. 9,105/-
Ms. Rukhsana is a mother of two children, who are suffering from thalassemia. She does stitching and earns money to pay for the blood transfusion of her kids.

We arranged a sewing machine for him which cost us Rs 6,500. We also give her some other supplies as well as needles, buttons and thread which cost us Rs 700. We collected this money through friends and relatives.

Fall 2016

**Sewing Machine for Ms. Rukhsana**

Funds Raised and Donated: **Rs. 7,200/-**
Mr Hikmat lives in Afghan camp and is unemployed since 2013. His parents are unregistered Afghan refugees, his household include 8 adults and 6 children.

Students arranged a stall with an inventory of, approx., worth Rs 15,000/-. Iron stall was salvaged through a scrapyard owner in Hub Chowki, Balochistan. He has been provided with 3 friers, week's worth of potatoes, oil, ketchup etc. Electricity was taken care of through a KUNDA.
Mrs. Sabra is an unemployed lady and lives in Johar. Her husband is also an unemployed however, they both are living with their relatives and have no means of earning. Students arranged a sewing machine for Mrs. Sabra so that she could start earning a good sum of money. Students also arranged unstitched cloths for her so that she could start her work. Inventory was worth Rs. 3000.
Sewing machine donation to Mr. Zohaib Khan.

Mr. Zohaib Khan is a disabled person who lives in a slum of Bhagoria Goth. As he had no earning source, we bought him a sewing machine, which he knew how to use, so he could have a sustainable earning source and his disability is no more a burden on him.

Fall 2016

Fund Raised and Donated. Rs. 9550/-
Mr. Bakhti Zameen is a rickshaw driver by day. With three children. With a varying income every month he and his wife often struggle to support their expenses.

A sewing machine was repaired for Rs. 1400 and sewing supplies like tailoring chalk and scissors of Rs.650 were given to them, to help them support their regular income.
Mr. Hayat is has opened up a shop in Khanewal for women accessories. His parents are dependent upon him and he recently married last year. After negligible saving from his work in Karachi city for last decade and half at textile industry and domestic jobs, he is saturated and now has started his shop at his hometown.

Students have arranged an investment for startup sustainability. Shop décor and projected inventory worth Rs. 40,000/- at small town of Khanewal, Punjab.

Funds Raised and Donated: Rs. 40,000/-
Renovation and training at Jugnu Welfare Association

Jugnu Welfare Association which is a school located at Gulistan-e-Johar. We did following tasks:

- 1) Renovation of school
- 2) Designing Course Outline
- 3) Training Sessions for teachers

Funds Raised and Donated: Rs. 50,000/-
Sewing Machine for Miss. Mumtaz

- Miss Mumtaz is a very hard working and women who currently lives in Bhutto Colony.
- She is working as a maid in a house of North Nazimabad.
- We bought her sewing machine so that she can complete her monthly expenses and wages by making and selling clothes.

Funds Raised and Donated: Rs 8,500
Szabist Blood Drive

- Collaborated with Szabist BioSciences Society.
- Sponsored from VitaminG to give juices to the donors.
- We managed to collect 40-50 bags and donated to Indus Hospital.
Muhammad Abbas is currently perusing for Aalim course at a mardrassa at Maymar. He is from a very poor family and needed Islamic books to be funded for studies. We arranged donation for books that worth 40,000pkr over the span of 8 years. Books will be arranged as per the requirement since the madrassa has no proper book shelves.

Aalim course books for Muhammad Abbas

Funds Raised and Donated: Rs. 40,000/=
Mrs. Fatima Sattar lives in khokrapar. She separated from her husband due to conflicts and after misunderstandings with family, she decided to live alone with her 1 year old kid. Currently she is working only at my home which is obviously not enough income for her. Therefore, for side income, I decided to give her some of the products on credit that I manufacture, on a return basis keeping no profit. She sells those products and keeps paying me at regularly.
Khalidabad is a small village in Naushero Feroz District, Sindh. That area was deprived of fresh drinking water. Locals there have to travel long distances for few liters' of water.

Students arranged digging of a well for them which is serving more than 60 houses and approximately 80-90 people. The local responsible for this project is Anwar Ud Din. The total cost for this project was Rs.100,000 (electrical boring-Rs 50,000 and 5 water pumps costed Rs. 50,000)
