This Dossier shows the social contribution made by IoBM students during their Social Advocacy / Community Service Projects …

Such projects are common in all universities worldwide however almost all do it in a non sustainable way. Students at IoBM tried to create sustainable solutions by creating self-employment for the poor.

The saying goes “Give a man a fish you feed him for a day, teach his to fish you feed for the lifetime” …

This Dossier shows the detail of such projects executed in Spring 2016

Rickshaw for Mr. Shaukat Nadeem

Mr. Shaukat lives in Saeedabad sector 12, with his family of 10. He didn’t have a sustainable source of income as he used to work as a freelance laborer.

Students, in collaboration with HANDS Org., arranged a CNG 3-seater rickshaw for him. Total cost of the project was Rs.214450/-, in which Rs.42150/- was raised by the students & Rs.172300/- was donated by HANDS Org.

Lease amount of Rs.19150/- shall be recovered by Mr. Shaukat with his consent through 4 installments starting from July 2016 to Oct 2016. The recovered amount of money shall be invested in future social projects carried out by the students.

Lease amount had to be kept small considering the family size & financial situation of Shaukat.

By Tehrim Malik, Hammad Tariq, Shiza Syed
It’s A Stitch is a social enterprise that we started with three women Kanwal, Janet and Naseem.

The main objective of this social enterprise is to provide resources and exposure to all women who require employment and who have the skill and passion to stitch.

We created a Facebook page displaying all of their creative work to show the customers their talents. With this platform the ladies can meet with customers online, to provide them with their services and acquire employment by fulfilling their needs.

By BBA Students Rumsha Sheerani, Sarah Zubair and Aniqa Asghar

Funds Raised and Donated: Rs. 9000
Mr. Farooq, father of 5, doesn’t have a regular source of income.

- Mr. Razzaq, is doing a job of a driver at a house in PECHS, has a wife, two children and an old mother to look after at home.
- Mr. Razzaq’s current income is less than his expenses and is having a problem in managing his lifestyle.
- Our group has helped him out by linking him with a friend of ours who does a side business of cars. Mr. Razzaq takes his car to Sunday bazaar and takes a commission on each sale.

By Ali Zain 17049 Bilal Khan 17555
A charity work and a kind of welfare, usually done by attaching cloth hangers from outside of houses. The motto of the movement are two sentences, "leave if you do not need" and "take, if you need"

This wall of kindness is situated at “Azam Basti”, where there is a stand instead of hangers for the people from where they can take clothes.

“Life is too short. Be kind as much as you can.”

Presented by: Hassan Ahmed (17008)
Cart for Mr. Dawood Khan

Mr. Aleem Khan Afridi, driver of my cousin, lives near Baldia town with 5 brothers, 2 sisters, and a mother. He is the only breadwinner for his family.

I find a part time job for him and help him to increase the amount of his earnings.

Presentation by: Deeparkash Duseja
Sustainable Business for Lyari’s Women:

- We had interacted with Lyari women & got inspired from stories & artesian skills. As Project, the team took over the challenge of reviving the “Integrated People” project of Kiran Foundation on the sustainable level.
- **MISSION:** To showcase the skills of these women around the world & connect them with markets around the world in a fashion that alleviates poverty and promotes sustainability with exhibitions.
- More than 50 Women are part of this program. They will be given trainings of Entrepreneurship, English(by British Council), present & future trends in fashion industry & how to make products which actually attract the upper Class.
- Women work 4 to 5 hours in IP’s workplace & make new innovative products. We will be selling those products through Exhibitions & online platforms before EID. We made mothers the partners of this Business so they simply earn whatever they make.
- **Our role in IP’s REVIVAL:**
  - Arrange all the required finances for this Long Term Project.
  - Arrange all the required resources & raw materials.
  - Hire Professional designers & individuals who can train & guide these women.
  - Make all the required arrangements of IP’s exhibitions to target elite class.
  - Make IP’s own online selling Store.

WE’LL OWN & MANAGE THIS PROJECT UNTILL IT STARTS FUNCTIONING & GENERATING PROFITS

Grant approved from Smith College: **10,000$/-**

By BBA Students: Maaz Mohammad Ismail (17854) 2. Asad Ali Butt (17090) 3. Syeda Mahjabeen Tauqir (16988)
